Adjunct (part-time) Faculty  
Department of Cariology, Restorative Sciences, and Endodontics

The University of Michigan School of Dentistry is seeking part-time adjunct faculty in the Department of Cariology, Restorative Sciences, and Endodontics. Faculty are needed to guide and assess students working the pre-clinical simulation laboratory as well during their patient care in the predoctoral student clinics.

Qualifications: Candidates should have a DDS/DMD degree or equivalent and be licensed to practice dentistry in the State of Michigan. A working knowledge of digital dental technology, such as intraoral scanners, is especially desired.

The School of Dentistry has a culture of continuous improvement and offers a series of continuing dental education courses on a variety of education and dental topics.

To apply, submit your CV and a very brief statement on why you would like to teach at the University of Michigan School of Dentistry to: https://facultyrecruiting.dent.umich.edu. Applications are accepted and evaluated throughout the year.

Questions should be directed to Dr. Ron Heys, Associate Professor and Associate Chair for the Department of Cariology, Restorative Sciences, and Endodontics at <ronjhe@umich.edu>; or Jennifer Bronson at <jennmfb@umich.edu> or 734-763-1375.

The University of Michigan is an Equal Employment Opportunity/Affirmative Action employer.
