

**Clinical Track Assistant/Associate/Professor
in Oral and Maxillofacial Radiology
Department of Periodontics and Oral Medicine
Division of Oral Medicine, Pathology and Radiology**

The University of Michigan School of Dentistry invites qualified applicants and nominations for a clinical-track position at the clinical assistant/clinical associate/clinical professor level in Oral and Maxillofacial Radiology. We seek an individual with strong commitment to predoctoral and graduate clinical education, scholarship and service. Candidates should have a D.D.S. or equivalent degree, advanced training in radiology, and the ability to be licensed in the State of Michigan. The Department encourages both experienced educators and recent graduates to apply.

Responsibilities will include didactic and clinical instruction of dental students, dental hygiene students and graduate students/residents, scholarly activity and service. The department has an active mentorship program and will provide opportunities for clinical practice and the development of independent and/or collaborative research programs. Salary and level of academic appointment will be commensurate with qualifications and experience. Full time is preferred but part time may be considered. The School of Dentistry is committed to the University of Michigan's core values of academic excellence, diversity, equity and inclusion. Outstanding university-wide facilities and resources are available to support our faculty members.

Applicants should submit electronically, their curriculum vitae, statement of interests and goals, and names of three references via the secure website: <https://facultyrecruiting.dent.umich.edu>. Questions regarding the position description should be directed to the search committee chair, David Tindle, Clinical Assistant Professor of Dentistry, at ditindle@umich.edu. For other questions regarding the application or search process, please contact Stephanie Collins at scollin@umich.edu. For best consideration, applications should be received by June 30, 2017.

Applications will be accepted and evaluated on an on-going basis until the position is filled.

The University of Michigan is an EEO/AA employer.
